Have you experienced conflict with your children's other parent or guardian when it comes to custody and/or access issues related to your children?

Have you thought about the effects of that conflict on your children?

Do you have questions about how separation or divorce has affected your children?

If you answered yes to any of those questions, a parent education group may be for you!

The Our Kids Parent Education and Awareness Program is designed for any parent or guardian who wants to reduce conflict and parent effectively for their children.

Parents/guardians of the same children are placed in different groups, however each group consists of a mix of both custodial and non-custodial parents/guardians.

Grandparents and new partners are encouraged to attend.

Group Specifics

Each group consists of 3 sessions totaling approximately 7.5 hours. Participants will receive a NYS PEAP Certificate of Compliance upon completion of the group and payment of the group fee.

Videos, discussions and role plays will be part of the group experience.

Topics will include:

- The impact of separation/divorce on children
- Child development and the implications for parenting after separation/divorce
- "Cooperative" and "parallel" approaches to co-parenting
- An overview of family law as it affects custody and visitation
- The impact of conflict on children
- Conflict management and problem-solving
